The role of Black Hills State University is that of a liberal arts university providing programs in the liberal arts and sciences; education with special emphasis on the preparation of elementary, middle level, and secondary teachers; human services; wellness; business, travel industries management and tourism. Complementing these programs is a series of pre-professional, one and two-year, terminal, and junior college programs. Degrees are authorized at the associate, baccalaureate, and master's levels.

Northern State University
Aberdeen, South Dakota 57401-7198
Dr. John Hutchinson, President
Telephone (605) 626-2521

Northern State University is a multi-purpose, regional institution of higher education, authorized for the people of South Dakota by the South Dakota Legislature. Founded as a normal and industrial school to serve the northern part of the state, the University has diversified its offerings to address the emerging needs of the students, community, and region. Teacher preparation remains an important feature of the institutional mission, as do programs in the arts and sciences, business, and fine arts. Through undergraduate and graduate programs, the University provides quality teaching and learning. Offering students a breadth and depth in the liberal arts and in professional studies, the University develops effective and productive professionals and citizens. Further, the University creates and nurtures a community of students, faculty, and staff, supporting communication, student and faculty research, and professional growth. Northern State University has designed programs to meet academic, social, cultural, and economic needs of the community and area, providing lifelong learning opportunities, a center for the arts and recreation, and support for regional development.

South Dakota School of Mines and Technology
Rapid City, South Dakota 57701-3995
Dr. Richard Gowen, President
Telephone (605) 394-2411

The role of the South Dakota School of Mines and Technology is that of a university specializing in undergraduate and graduate education emphasizing science and engineering. Degrees are authorized at the baccalaureate, master's, and doctoral levels.

South Dakota State University
Brookings, South Dakota 57007-2298
Dr. Robert Wagner, President
Telephone (605) 688-4111

The central mission of South Dakota State University is to serve through teaching, research, and extension activities, as the state's land grant institution. Our first mission, then, is undergraduate and graduate education from the freshman to the doctoral levels. This priority is achieved through selected high quality academic, professional, extra-curricular, and recreational programs. Our second mission is to conduct nationally competitive strategic research, scholarly and creative activities. Our third mission is the transfer of knowledge, especially to the citizens of South Dakota, through the Cooperative Extension Service and other entities.

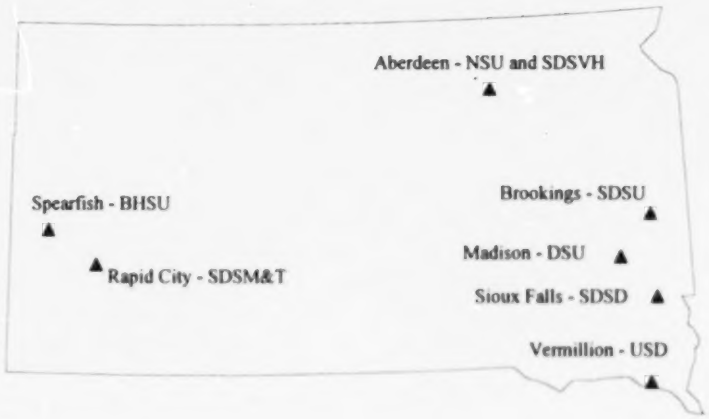
University of South Dakota
Vermillion, South Dakota 57069-2390
Dr. Paul Olscamp, Interim President
Telephone (605) 677-5641

The University of South Dakota is the comprehensive university within the South Dakota System of Higher Education. The University's mission is to provide graduate and undergraduate programs in the liberal arts and sciences and in professional education; to promote excellence in teaching and learning; to support research, scholarly, and creative activities; and to provide service to the State of South Dakota.

Dakota State University
Madison, South Dakota 57042-1799
Dr. Jerald Tunheim, President
Telephone (605) 256-5112

Dakota State University is an institution specializing in programs in computer management, computer information systems, and other related undergraduate and graduate programs as outlined in SDCL §13-59-2.2. A special emphasis is the preparation of elementary and secondary teachers with expertise in the use of technology and information processing in the teaching and learning process. A secondary purpose is to offer two-year and one-year programs and short courses for application and operator training in areas authorized.

South Dakota Board of Regents Institutions



South Dakota's Special Schools

South Dakota School for the Deaf
Sioux Falls, South Dakota 57103-1899
Dr. Jon Green, Superintendent
Telephone (605) 367-5200 Voice/TDD

The role and mission of the South Dakota School for the Deaf is to provide statewide services to the sensory impaired children and the youth of the State of South Dakota and to serve in a dual leadership and resource role in the statewide efforts to meet the educational needs of sensory impaired children from birth through age twenty-one. This mission will be carried out through cooperative efforts with all appropriate agencies, and colleges and universities. It is recognized that the mission of the South Dakota School for the Deaf is a significant part of the continuum of services in the statewide delivery system for children in need of special education or special education and related services.

South Dakota School for the Visually Handicapped
Aberdeen, South Dakota 57401-7699
Marjorie Kaiser, Superintendent
Telephone (605) 626-2580

The role and mission of the South Dakota School for the Visually Handicapped is to provide statewide services to meet the educational needs of children with sensory impairments from birth through age twenty-one in South Dakota by serving in a dual leadership and resource role in the statewide effort to serve these students. This mission will be carried out though cooperative efforts with all appropriate state agencies, educational cooperatives, local education agencies, and colleges and universities. It is recognized that the mission of the South Dakota School for the Visually Handicapped is a significant part of the continuum of services in the statewide delivery system for children in need of special education or special education and related services.

Minimum Requirements*

All baccalaureate or general studies students under twenty-one (21) years of age, including students transferring with less than twenty-four (24) credit hours, must meet the following minimum course requirements with at least a "C" average:

1. **Four years of English - courses with major emphasis upon grammar, composition, or literary analysis; one year of debate instruction may be included to meet this requirement.**
2. **Three years of advanced mathematics - algebra, geometry, trigonometry or other advanced mathematics including accelerated or honors mathematics (algebra) provided at the 8th grade level; not included are arithmetic, business mathematics, general mathematics or other similar courses.**
3. **Three years of laboratory science - courses in biology, chemistry, or physics in which at least one (1) regular laboratory period is scheduled each week. Accelerated or honors science (biology, physics or chemistry) provided in the 8th grade shall be accepted. Qualifying "physical science courses (with lab)" will be decided on a case-by-case basis.**
4. **Three years of social science - history, economics, sociology, geography, government—including U.S. and South Dakota, American Problems, etc.**
5. **Demonstrated computer skills - basic keyboarding skills and experience using Internet or other wide area network.**
6. **One-half year of fine arts - art or music appreciation, analysis or performance.**

Students who have not completed the minimum course requirements may demonstrate equivalent competency by attaining the following ACT (American College Test) or Advanced Placement Examination scores:

English: ACT English sub-test score of 17 or above OR AP Language/Composition or Literature/Composition score of 2 or above.

Mathematics: ACT Mathematics sub-test score of 17 or above OR AP Calculus AB or Calculus BC score of 2 or above.

Science: ACT Science sub-test score of 17 or above OR AP Biology, Chemistry, Physics B, or physics C score of 2 or above.

Fine Arts: AP History of Art, Studio Art 9 drawing or general portfolio or Music Theory score of 2 or above.

In addition, students must meet at least ONE of the following criteria to be granted admission:

1. **ACT (American College Test) composite score of 18 or above.**
2. **Rank in the top 60% of high school graduating class.**
3. **High school grade point average (GPA) of at least 2.6 on a 4.0 scale.**

Mandatory Mathematics Placement Procedure

Since Fall 1989, each campus has had a mandatory mathematics placement procedure for incoming freshmen. The instruments and criteria used for mandatory placement are at the discretion of each institution.

Exception Group

Each university may admit a group of students, limited in size to 3% of the previous year's freshmen class, at the discretion of the university. The purpose of this exception group is to permit universities to admit students from underrepresented or underserved populations, students with learning disabilities, or students with demonstrated artistic, musical, or athletic talent. Each university shall provide a progress report by June 30 each year on students admitted as part of this exception group. The report shall provide information on the reason for admission, year of admission, and student grade point average.

Non-Traditional Junior/Senior Transfer Students

Non-traditional students (21 years of age or older) and students transferring with more than twenty-four (24) credit hours into a baccalaureate or general studies program shall be admitted at the discretion of the institution. Non-traditional students in baccalaureate programs are encouraged to fulfill the minimum course requirements.

One-Year Certificate and Two-Year Associate Degree Programs

Students shall be admitted to certificate and associate degree programs at the discretion of the institution.

*The minimum requirements listed for admission are condensed from actual Board Policy.

NOTE: Prior to Fall 1987, USD enrollments included Graduate Business students at Ellsworth AFB and, prior to Fall 1988, SDSMT enrollments included students in on-campus non-state-funded courses. With these enrollments excluded: USD Fall 1986 headcount enrollment would have been 5,377 or 134 students less and FTE enrollment would have been 5,015 or 48 FTEs less; SDSMT Fall 1987 enrollment would have been 1,887 or 44 students less and FTE enrollment would have been 1,643 or 29 FTEs less. Effective in 1994, DSU's enrollments in off-campus classes were brought into compliance with Board of Regents policy. DSU's historical enrollments include those state support students in classes that will now be self-support or RDTN. The following are the number of students that DSU reports were enrolled in those classes: 1993, 234 (15.6 FTE); 1992, 228 (16.1 FTE); 1991, 275 (18.3 FTE); 1990, 173 (11.5 FTE); 1989, 63 (4.2 FTE); 1988, 74 (4.9 FTE); 1987, 37 (3 FTE); information unavailable prior to 1987. All FTEs are based on 15 credit hours for undergraduates, 12 credit hours for Master's and Doctor's, 15 credit hours for Law and 19 credit hours for Medicine. FTE totals may not be exact due to rounding.

NOTE: FY88 expenditures exceeded the budget by approximately $50,000. These expenditures were deferred until FY89. The shortfall in FY89 then grew to $290,000. This shortfall was again deferred into the following year. Despite additional appropriations, the FY90 shortfall grew to a sizable $375,465. The $375,465 was deferred into FY91. The accumulated FY91 shortfall of $636,511 was deferred into FY92, and the shortfall grew to $888,936. Despite the additional appropriation in FY93, the deficit by the end of the year was $820,632. The institutions absorbed the cumulative shortfall in FY93 and continue to absorb the shortfalls in each subsequent fiscal year. A total shortfall of $1,469,458 has occurred to date. The FY95 appropriation decrease of $89,067 reflects the legislatively mandated budget reductions.

BOARD OF REGENTS *FACT BOOK* USER SURVEY
REPLY CARD

The *Fact Book* is designed to make information about South Dakota's unified system of public higher education and the special schools easy to find and use. The *FY1996 Fact Book* was the first to be put on the world wide web at the Board of Regents World Wide Web homepage at http://www.ris.sdbor.edu/. However, to reduce costs and to improve the quality of the *Fact Book's* information, we have included this user survey to identify what information you use most and how we could improve the presentation of data.

We appreciate your input, please fill out the postage paid reply card below and return by May 1, 1997.

1. How often do you use the *Fact Book*?
   ☐ Never ☐ Once a week ☐ Once a month ☐ Once or twice a year ☐ First time ever

2. Do you have access to the World Wide Web? ☐ Yes ☐ No

3. Would (do) you use the WWW to view the *Fact Book*? ☐ Yes ☐ No ☐ Maybe

4. Do you have a CD-ROM drive? ☐ Yes ☐ No

5. Would you use a CD to view the *Fact Book* if made available in this format? ☐ Yes ☐ No ☐ Maybe

6. What category best describes your position?
   ☐ Faculty ☐ Public University Admin./Staff ☐ Private University or College ☐ State Government ☐ Elected Official ☐ Other

7. Listed below are sections of the *Fact Book* followed by a numerical scale of 1 to 3. Please circle how useful each section is by using the 1-3 scale where 1 is not useful; 2 is somewhat useful; and 3 is useful.

Section:	Not useful	Somewhat useful	Useful
General (Regental committee structure, institutional missions, admission requirements)	1	2	3
Financial Affairs (operating budgets, all funds summary, budgeted mean salaries)	1	2	3
Tuition & Fees (historical tuition rates, percentage of student support, historical tuition & fees charges, regional comparisons)	1	2	3
Financial Aid (student financial aid by program, state funded financial aid award, financial aid award, student loan indebtedness)	1	2	3
Enrollment (student profile, historical enrollment, transfer enrollment, college bound h.s. grads, enrollment by site of instruction)	1	2	3
Student Right-to-Know (student persistence rates, campus crime reports)	1	2	3
Special Schools (enrollment, evaluations)	1	2	3
Human Resources (faculty salaries, faculty profile, turnover report)	1	2	3
Management Ratios (historical costs per student, operating budgets by program, student-faculty ratio)	1	2	3
Degree Conferred (degree trends, degrees conferred by discipline)	1	2	3
Physical Plant (cost v. replacement, residence facility utilization, size, building construction, self liquidating projects, utility recap)	1	2	3
Regional/National Comparison	1	2	3

8. Have you visited the Board of Regents World Wide Web homepage (http://www.ris.sdbor.edu/)? ☐ Yes ☐ No

9. How can we make the content and/or format of the *Fact Book* more useful to you?

Fold this card in half, tape shut (no staples), and drop in the mail! Thank you for participating in the user survey.

THE SOUTH DAKOTA BOARD OF REGENTS

Karl Wegner, President

Karl Wegner of Sioux Falls was appointed to the Board of Regents in March 1992 and was elected President in April 1996. Now retired, he has served as Founding Dean of the four-year degree USD School of Medicine, Pathology Chief at Sioux Valley Hospital, and Founder/Medical Director of the Laboratory of Clinical Medicine. A former U.S. Marine Captain, Dr. Wegner earned his B.S. from Yale and his M.D. from Harvard. His current term expires in March 1998.

David Gienapp, Vice President

David Gienapp was appointed to the Board of Regents in July 1993. Prior to his Regental appointment, Mr. Gienapp served as President of the State Board of Education. A partner in the Madison law firm of Arneson, Issenhuth, Gienapp & Blair, Mr. Gienapp earned a B.A. degree from USD and a J.D. from the University of Wyoming. His current term expires in March 1997.

Cathy Hall, Secretary

Cathy Hall was appointed to the Board of Regents in June 1988 and reappointed in March 1993. She served as Vice President in 1991 and 1992, and as Secretary in 1990 and 1996-1997. Ms. Hall, a Certified Public Accountant who owns a management consultation and planning firm, received a bachelor's degree in fine arts from NSU and has done graduate work in accounting at USD. Her current term will expire in March 1999.

James F. Hart

Jim Hart, who is President and Chief Executive Officer of Hand County State Bank in Miller, received his degree in accounting from USD School of Business. Mr. Hart was appointed to the Board of Regents in March 1992 and served as President of the Board from 1995-1996. He also serves as a member of the South Dakota Community Foundation. His current term will expire in March 1998.

Max Gruenwald

Max Gruenwald was appointed to the Board of Regents in April 1987 and reappointed in March 1991. He has served as President of the Board in 1990 and as Vice President in 1988 and 1989. Mr. Gruenwald, who served as a Lieutenant in the United States Navy, attended Yankton College before earning both his baccalaureate degree and his law degree from USD. He is a practicing attorney in Milbank. His current term expires in March 1997.
